

\$3.00 Rebate for ENERGY STAR® Qualified Thermostat

This coupon has no cash value, but is valued at \$3.00 dollars for the purchase of a new Honeywell or White-Rodgers ENERGY STAR® qualified thermostat at a participating TRC program wholesaler. Contractors may obtain one coupon for each mercury thermostat returned for recycling to a participating wholesaler. Only one coupon can be used for each new thermostat purchased.

Fill out the back of this coupon, and send this coupon with proof of purchase of a new ENERGY STAR® qualified thermostat to:
Thermostat Recycling Corporation
P.O. Box 17463
Arlington, VA 22216

This program is available to contractors only, and runs from January 1, 2006 to December 31, 2006. Coupons are redeemable through June 30, 2007. Only the first 9,500 coupons returned will be honored.

Coupons may not be changed or modified in any way. Copies, transfers, sales and Internet auctions of coupons are prohibited. All coupons are void where prohibited by law.

For more information, see www.nema.org/trc or call the Indiana Department of Environmental Management at 1-800-988-7901 (toll free).
